

Philipp Grosse Kleimann

Member of the MAHLE Management Committee since August 2023, Corporate Executive Vice President & General Manager Lifecycle and Mobility

After graduating from the University of Passau with a degree in business administration, Philipp Grosse Kleimann began his professional career at Mercedes-Benz in 1996, where he held various positions and became responsible for the company's global spare parts and workshop business.

In 2008, he joined the executive management team of British sports car manufacturer Aston Martin Lagonda as Director Business Development. In 2010, he became a partner at Roland Berger Strategy Consultants, where he advanced to senior partner within the firm's global Automotive Competence Center.

In 2017, he joined the management team of ERGO Mobility Solutions. In 2019, he took on the role of Chief Commercial Officer at Caroobi, a digital automotive workshop platform. Starting in 2020, Philipp Grosse Kleimann served as Senior Vice President Automotive & New Mobility at Siemens Advanta Consulting.

In August 2023, he joined the MAHLE Group and assumed responsibility for the Lifecycle and Mobility business unit as a member of the MAHLE Management Committee.
